**Certified By the Women's Business Enterprise National Council**

**Portage, IN—April 27, 2023—Solid Platforms, Inc.**, a business specializing in Scaffold Sales, Rental, & Erection, is proud to announce national certification as a Women's Business Enterprise by The Great Lakes Women's Business Council, a regional certifying partner of the Women's Business Enterprise National Council (WBENC). WBENC Certification is the gold standard for women-owned business certification in the United States.

The WBENC standard of certification implemented by The Great Lakes Women's Business Council is a meticulous process, including an in-depth review of the business and a site inspection. The certification process is designed to confirm the business is at least 51% owned, operated, and controlled by a woman or women, and that the business has appropriate structure and strategic business planning and implementation in place.

By including women-owned businesses among their suppliers, corporations and government agencies demonstrate their commitment to fostering diversity and the continued development of their supplier diversity programs, which in turn empowers women as leaders and brings about a more diverse, balanced, and sustainable economy.

WBENC Certification combined with professional development and engagement in the WBENC network provides unsurpassed opportunities year-round, both virtually and in-person, for women-owned businesses to grow and expand their business and innovation through events, programming, and connections with major corporations and other WBEs.

**About WBENC:**
